

## SENIOR ADVISORS

### **G.N. Srivastava**

Mr. Srivastava earned his Bachelor of Arts (B.A.) and L.L.B. degrees from the University of Allahabad. He specializes in Project Coordination and Management and has built a robust network within high-level bureaucratic and political circles, particularly in ministries such as Finance, Commerce, Industry, Chemicals, Petrochemicals, Shipping and Surface Transport, Telecommunications, and Power.

He played a key role in securing a \$150 million GDR issue clearance from the Finance Ministry and is actively engaged in large-scale projects. Mr. Srivastava is an expert in facilitating the entry of foreign companies into the Indian market and was instrumental in Motorola India Ltd.'s entry into India.

His notable projects include:

- MTNLS-GSM cellular network projects for Delhi and Mumbai.
- MTNLS-WLL infrastructure projects for Delhi and Mumbai.

### **Other Projects:**

He has overseen various telecom-related projects, including billing systems, for Sheba Telecom/Bangladesh Sanchar.

Mr. Srivastava's portfolio also includes identifying business opportunities for SUNTEC, a leading provider of customer care, billing systems, and mediation solutions, as well as other major international firms like PROTEK. Additionally, he has provided consultancy to ESSAR, NATELCO, KPN/TELECOMPETENCE, MAGICAL (Hong Kong), AEC, ASIA PACIFIC CAPITAL, and many others on diverse issues.
